

Bible Quizzing Scholarship Application

Rhoda and Bob Peters Memorial Scholarship

The District Executive Committee (DEXCOM) of Canadian Midwest District is pleased is pleased to offer the Rhoda and Bob Peters Memorial Scholarship, two \$500 scholarships for Bible quizzers graduating from grade 12 who will be attending Bible School in the fall immediately after their final quizzing year. Competitive success in quizzing is not part of the selection process for the Rhoda and Bob Peters Memorial Scholarship.

Mr. and Mrs. Peters were longtime supporters of Bible quizzing in our district. For several years, Mr. Peters served as an Alliance church pastor and continued to serve in our district office.

Recognizing that Grade 12 quizzers are key role models for younger students, the following selection criteria will be considered for the Rhoda and Bob Peters Memorial scholarships: has quizzed for a total of three years, will be enrolled at a recognized Bible School the following fall for a minimum one-year program, and has exemplified Christ-like character and leadership as a quizzer (based on coach's character reference). Special consideration will be given to those who are considering entering vocational ministry.

The applicant's coach will be contacted by a member of the CMD Bible Quizzing executive committee and asked for his/her recommendation. Based on the coach's recommendation, the quizzer's interest in vocational ministry, and the guiding of the Holy Spirit, members of the CMD Bible Quizzing's executive committee will select the deserving recipients. The quizzing executive committee reserves the right to retain funds for future use.

Recipients of the scholarships are expected to thank the District Executive Committee (DEXCOM) of the Canadian Midwest District.

Deadline to submit this application is Friday, May 2. Email the completed form to executivecommittee@cmdbiblequizzing.org and include in the subject line "Bible quizzing scholarship application."
